WHAT IS YOUTHEATRE ?

YOUTHEATRE *is an exciting, new, summer program for young people between the ages of 10 and 17. Offered by the Emerson College Department of Theatre Education, this six week summer training program is designed to give students from the greater Boston area a worthwhile and exciting educational theatre experience. Available as a partial 3 day-a-week package (ENCHANTED CARPET PRODUCTION COMPANY) or as a full week package (YOUTHEATRE), this program will give all participants the experience of studying and performing theatre skills. Those students in the Enchanted Carpet Production Company will rehearse and perform a show for young audiences, while those in the full Youtheatre program will have the repertory experience of doing both this show and a musical as well.*
